

# Bush: Map, Compass & GPS Workshop.

Saturday 26<sup>th</sup> March 2011

10am-5pm: Hamilton

This workshop by Waikato Environment Centre is a **free** event for environmental community groups who want to know more about working safely in the bush and navigation. The workshop will be held in Hamilton, venue to be confirmed.

**Topics:** Map reading, using a compass, risk management, (RAMS), location identification and GPS.

**With:** NZ Mountain Safety Council and Department of Conservation.

Please note that the workshop is **only** open to environmental groups, or community groups carrying out ecological restoration projects, and members of the Environment Centre or Waikato Biodiversity Forum.

Lunch will be provided. Numbers limited to 12.

Please email to register by 23<sup>rd</sup> March: [rachael@envirocentre.org.nz](mailto:rachael@envirocentre.org.nz)
